

The Zero Project is working for a world with zero barriers.

GNW Ltd-SupEFL – Award winning project

GNW Ltd has won the Zero Project Award with [SupEFL](#) materials.

- The project is aimed to [special persons](#), serves individual needs and doesn't work with [diagnosis](#).
- The solutions are self-help methods for learners, because they can't wait till teachers learn new methods to be able to teach them properly.
- The material is built on existing internet based resources and doesn't develop a lot new, second language learning materials.

The [presentation](#) gives a guideline to learn English as a second language for special learners.

[Award Winning](#) - Eva Gyarmathy
